

ANKITA SINGH

Full Stack Developer

Noida, Uttar Pradesh, India | +91-8738915008 | ankita638738@gmail.com
linkedin.com/in/ankita87 | github.com/Anshi1208

PROFESSIONAL SUMMARY

Full Stack Developer with 2+ years of professional experience designing, developing, and deploying scalable web and desktop applications using React.js, Node.js, Express.js, JavaScript (ES6+), and TypeScript. Proven expertise in building responsive user interfaces, reusable React components, RESTful APIs, and real-time systems using WebSockets and Socket.IO. Strong background in frontend development, backend development, database management (MySQL, MongoDB), state management (Redux Toolkit, Context API), and Agile software development. Skilled in performance optimization, cross-functional collaboration, code reviews, and delivering high-quality, maintainable, production-ready code.

TECHNICAL SKILLS

Frontend Development: React.js, React Hooks, Redux Toolkit, Context API, JavaScript (ES6+), TypeScript, HTML5, CSS3, SCSS, Bootstrap, React-Bootstrap, Chakra UI, Responsive Web Design

Backend Development: Node.js, Express.js, REST APIs, RESTful API Design, JWT Authentication, WebSockets, Socket.IO, API Integration, Microservices

Database: MySQL, MongoDB, Database Design, Query Optimization

Tools & Platforms: Electron.js, Git, GitHub, Webpack, Vite, NPM, Yarn, Postman, Agile/Scrum Methodology, Jira, CI/CD, Performance Optimization, SDLC

PROFESSIONAL EXPERIENCE

Full Stack Developer

September 2024 – Present

PPS International Pvt Ltd | Greater Noida, India

- Developed and maintained React.js applications across 3+ modules for railway infrastructure systems, building reusable component architecture with React Hooks to improve code reusability and maintainability.
- Designed and integrated 20+ RESTful API endpoints with Node.js and Express.js to support real-time data processing and application workflows.
- Built responsive, high-performance user interfaces using React.js, HTML5, and CSS3, ensuring a seamless experience for end users.
- Implemented real-time communication and data synchronization using WebSockets for live monitoring and information systems.
- Built a cross-platform Electron.js desktop application (SPUT) to securely transfer ~10GB of data in under 1 minute for database and firmware updates on onboard train infotainment systems (IOB), bypassing restricted file-transfer tools (e.g., WinSCP) for security compliance.
- Collaborated with a 3-member cross-functional engineering team in an Agile/Scrum environment, participating in sprint planning, code reviews, debugging, and performance optimization.

KEY PROJECTS

NVR – Network Video Recorder (Real-Time Video Monitoring Platform)

Tech Stack: React.js, Node.js, Express.js, WebSockets, REST API, RTSP, ONVIF

- Developing a real-time surveillance platform supporting up to 64 concurrent IP camera streams using RTSP and ONVIF protocols, with WebSockets-based live status updates and event notifications.
- Building responsive dashboards for camera management, live monitoring, playback, and recording configurations, backed by scalable REST APIs for user and system settings.

SPUT Tool & Infotainment Webserver (Train Infotainment System)

Tech Stack: Electron.js, React.js, Node.js, Express.js, Offline-First Architecture

- Architected an Electron.js desktop application (SPUT) to perform secure database and firmware updates for onboard train infotainment systems (IOB), transferring ~10GB of data in under 1 minute in an environment where conventional file-transfer tools were restricted for security reasons.
- Built a full-stack, offline-first web application enabling passengers to access journey information, entertainment content, and railway services in low-network environments, with full compatibility with SPUT-generated packages for zero-friction deployment.

EDUCATION

B.Tech in Computer Science & Engineering — 78%

Aug 2020 – Jul 2023

Dr. A.P.J. Abdul Kalam Technical University, Jaunpur, Uttar Pradesh

Diploma in Computer Science & Engineering — 85%

Sep 2017 – Jul 2020

Board of Technical Education, Jaunpur, Uttar Pradesh
